

MISSION STATEMENT

Capabilities

Innovative: Innovation and progress do not stop with us. We are constantly evolving.

Uncomplicated: Concerns are handled efficiently, promptly and in a solution-oriented manner.

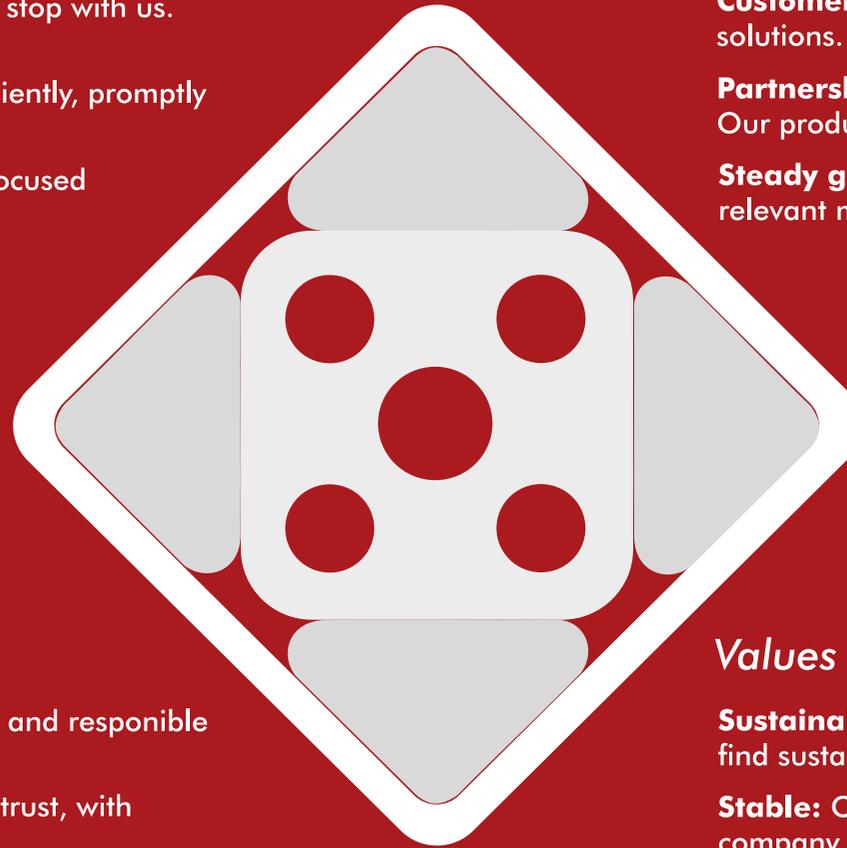

Needs-oriented: We adapt to the needs. Focused and application-related.

Mission

Customer-oriented: We assist, advise and offer solutions. Always, everywhere. For a lifetime!

Partnership: We are reliable and innovative at all times. Our products represents «SWISSNESS».

Steady growth: with our expertise, we strive for relevant market shares in all target markets.

Behavior

Personal responsibility: personal initiative and responsible action in every area distinguish us.

Reliable: We stick to agreements and build trust, with understanding and empathy.

Respectful: We treat our customers as we would like to be treated. With respect and decency.

Values

Sustainable: We act according to ecological values. We find sustainable and environmentally friendly solutions.

Stable: Over 30 years of experience characterize our company and contribute to the success of RESATEC.

Responsible: Manufacturing processes are of high quality. We place human being in the center of a process.
